The Quisling regime or Quisling government are common names used to refer to the fascist collaborationist government led by Vidkun Quisling in German-occupied Norway during the Second World War. The official name of the regime from 1 February 1942 until its dissolution in May 1945 was Nasjonale regjering. Actual executive power was retained by the Reichskommissariat Norwegen, headed by Josef Terboven. Given the use of the term quisling, the name Quisling regime can also be used as a derogatory t

Background. Lysaker was, and still is, an important transport hub situated near the mouth of the river Lysakerelva, which forms the border between Bærum and Oslo (in 1940: Bærum and Aker). The Drammen Line railway crosses Lysakerelva with its own bridge at Lysaker, as does the European route E18 highway. The highway is the main connection between Oslo and western parts of Norway.
