AP Score Distributions - AP Students | College Board
In 2019, more than 222,500 students took the AP® Statistics exam, and 59.7% of them passed. You can reference the latest 2019 student score distributions here. What is the average AP® Statistics score? The average score is different for every exam because of variation in students taking the exam and question difficulty. The averages for the ...

AP® Statistics Score Calculator for 2020 | Albert.io
The 2020 preliminary AP Exam Score Distributions include exams taken in May and early June, but do not include the exception exams taken the end of June as they are still being scored. It does not appear that there will be any commentary regarding the score districtions for this year's exams as there has been the past several years.
