Anglo Saxon England Oxford History

Anglo-Saxon architecture was a period in the history of architecture in England, and parts of Wales, from the mid-5th century until the Norman Conquest of 1066. Anglo-Saxon secular buildings in Britain were generally simple, constructed mainly using timber with thatch for roofing. No universally accepted example survives above ground. There are many remains of Anglo-Saxon church architecture.

Anglo-Saxon architecture - Wikipedia

The conquest of England by the Normans in 1066 brought about many changes in the local administration of the country, but some aspects were retained. One of the biggest changes was the introduction of a severe feudal system by the Normans. Although Anglo-Saxon society had also been essentially feudal in character, the Norman system was much more rigid, centralised and thorough.
