Rediscovering the impact that reading in the content areas has on learning is the primary goal of this book. The second goal is to provide the latest research, tools, and guidance necessary to ensure that reading is a part of every young person's daily learning experience. Rationale: An Abundance of Compelling Reasons

TEACHING READING IN THE CONTENT AREAS

The idea of disciplinary literacy is that students not only have to learn the essential content of a field, but how reading and writing are used in that field. On the other hand, content area reading focuses on imparting reading and study skills that may help students to better understand and remember whatever they read.
