Dead Sea Brian Keene

DEAD SEA by horror author Brian Keene has always been one of my all-time favorite zombie novels. This book is the reason I became a fan of Keene in the first place. The author has quite a talent for taking a hopeless situation and twisting the waking nightmare into something much worse than hopeless.

Brian Keene breathed new life into the zombie genre with The Rising and City of the Dead with an excellent slant on zombie lore. Dead Sea is apart from that world.
