F\*ck Feelings is a practical self-help guide and the brainchild of Michael I. Bennett, M.D. (a certified psychiatrist) and his daughter, Sarah Bennett (Yes! a comedy writer).

### F\*ck Feelings: One Shrink's Practical Advice for Managing ...

F\*ck Feelings explains that, in most cases, you have not failed and do not need to try harder or wait longer for improvement to begin; instead, you need to accept that life is hard and your frustrated efforts are a valuable guide to identifying what you can't change.

### F\*ck Feelings: One Shrink's Practical Advice for Managing ...

F\*ck Love: One Shrink's Sensible Advice for Finding a Lasting Relationship If dealing with loss and stress weren't depressing enough, you now have actual depression to make you feel even worse. A stupid/simple as it may sound, it's really depressing to be depressed, particularly when it interferes with your energy, performance, and ability to achieve your bigger life goals.

Other self-help books claim to reveal the path to happiness, but F\*ck Feelings warns that convincing yourself that there is such a path will actually lead you to feel like a true failure. What the Bennetts can promise you is that you can manage any situation life throws at you if you can keep your sense of humor, bend your wishes to fit reality, restrain your feelings, manage bad behavior, and do what you think is right.

F\*ck feelings: our m\*nifesto. If you want to make good decisions or get good advice about them, don't pay too much attention to your feelings. This may sound like strange advice coming from a psychiatrist who does "therapy," since most people see a shrink because they've got feelings they want to share, "get out," understand or resolve, much as they see it done on TV, assuming that sharing their feelings is healthy and will prevent them from building up and causing stress and ...
