Textbook of Healthcare Ethics by Erich E.H. Loewy

Health Care Ethics is a clear, accessible text/reference that explores the full range of contemporary issues in health care ethics from a practical wisdom approach. The authors present the fundamental concerns of modern medical ethics—autonomy, beneficence, justice, and confidentiality—and then provide analysis, cases, and insights from professional literature to discuss them.

MEDICAL ETHICS ONLINE TEXTBOOK text

Because beneficence is a fundamental principle of healthcare ethics, ethical egoism (i.e., the belief that our primary obligation is to ourselves and that selfishness is a virtue) is disconnected from health care. This is true because most people enter health care as a profession because they want to help people.
