The Cure | Biography & History | AllMusic

A bit of history: In the late 1800s, a surgeon named William Coley read about a patient with cancer who, following a near-fatal postoperative infection, was completely cured of residual malignancy (a rare outcome). This story resonated with Coley because he had recently operated on a patient with a very similar cancer type who, after having no ...

'A Cure Within'

The Cure Within: A History of Mind-Body Medicine. W. W. Norton (2008) I'll begin with the complaint that many skeptics will probably have with this book. The author takes more of a phenomenological and historical approach than a critical analysis aimed at determining whether the mind-body cures she examines are based on anything more than the ...
